

## Adobe Hills HomeOwners - Important Notice

# Our BOD isn't following California Law

40+ home owners requested a special meeting for board recall. **The meeting date is set but the BOD hasn't provided us the ballots required by law**

date for the meeting. The petition may also be sent by certified mail to any officer, director or managing agent.

**Setting Meeting Date.** Once a proper petition has been submitted to the board, the board must **set a date** for the meeting and send notice to the membership. The board must also prepare and send ballots as provided for in Civil Code § 5115(a).

Join us in a **special meeting with the BOD to decide Board member Recall.**

Help us raise the issue of why ballots haven't been issued
